Wahoo Wheat

Belgian Wit

4% ABV, 15 IBU

Available year round in 22oz bottles & draft

Brewed to be light and refreshing—with a unique citrus character that comes from adding **orange peel and coriander** to the boil. What gives our Wahoo Wheat—and other wheat beers—a hazy appearance is the unmalted wheat it's made from. A special yeast contributes to this beer's refreshing tangy flavor—quite different from the banana and clove Hefeweizens of Bavaria. If you want to be surprised what deliciousness can come from wheat, oats and barley, try one today.

Calico Amber

American Amber Ale

5.5% ABV, 45 IBU

Available year round in 12 & 22oz bottles, & draft

Gold medal, 2001 GABF, American Amber Ale

Inspired by traditional English ESBs, our Calico Amber Ale is as American as it could be. A rich complexity comes from **four types of malt**—but it's those distinct **American hops** that offer a crisp bitterness and unique floral aroma. To round out our traditional-English-yet-very-American Amber Ale, we use a proprietary yeast to develop a fruity, Madeira-like richness. Try one today, and find out what a gold medal beer tastes like!

Pale Ale

American Pale Ale

4.6% ABV, 23 IBU

Available year round in 12 & 22oz bottles, & draft

There's no wonder why our Pale Ale is so popular—it is skillfully crafted in the **style of the Kolsch beers** of Cologne, Germany. We've chosen **German hops for aroma**, and rounded out the recipe with a **blend of American and German malts**. While it is very much like a Pilsner, our Pale Ale is **fermented at ale temperatures**, giving it a subdued fruitiness—a perfect compliment to the crispness of the **wheat** and maltiness of the **Munich malt**. If you like a lighter brew but also like the complexity of craft beers, then our Pale Ale is for you.

Big Eye IPA

India Pale Ale

7% ABV, 75 IBU

Available year round in 12 & 22oz bottles, & draft

If you have fallen for the IPA style like we have, Big Eye will be a welcome addition to your repertoire. You'll revel in Big Eye's bitter, hoppy flavor thanks to the American **Columbus and Centennial hops** that are used to flavor and dry hop our flagship IPA.

Sculpin IPA

India Pale Ale

7% ABV, 70 IBU

Available year round in 12 & 22oz bottles, & draft

Gold medal, World Beer Cup 2010, International Pale Ale

The Sculpin is a testament to our humble beginnings as Home Brew Mart. It showcases bright flavors and aromas of apricot, peach, mango & lemon. The lighter body also brings out the crispness of the hops. The Sculpin fish has poisonous spikes on its fins that can give a strong sting. Ironically, the meat from a Sculpin is considered some of the tastiest. Something that has a sting but tastes great, sounds like a Ballast Point India Pale Ale.

Victory at Sea

Coffee Vanilla Imperial Porter

10% ABV, 60 IBU

October seasonal, available in 22oz bottles, & draft

Two of the world's oldest beverages join forces to conquer your palate. Victory at Sea embodies the art of masterful brewing by infusing a velvety Imperial Porter with pure **vanilla** flavor and specially-selected, **hand roasted coffee**. The addition of **cold brewed coffee** to the beer lends a subtle roasted flavor to this robust imperial porter, blending perfectly with rich vanilla and caramel undertones. By uniting two San Diego brewing traditions, **Caffe Calabria freshly brewed coffee** and Ballast Point beer, we have successfully created an artisanal masterpiece.

Ballast Point

About Ballast Point

Founded in 1996 by Jack White and Yuseff Cherney in San Diego, California. Ballast Point Brewing Co. started in the back room of Home Brew Mart, Jack's homebrew supply store.

Beers are named after fish, as Yuseff is an avid fisherman.

In 2004, Ballast Point had outgrown the back room at Home Brew Mart, and moved to its current location. In 2012, they expanded to double their previous years output, and now produce around 60,000 barrels per year.

Ballast Point is also the only brewery in Southern California to also have an on-site distillery.
